connecting faith and giving

***Faith is a continuously maturing process, all we have and all we are is a gift from God. Stewardship of these resources and our lives is a way of life; people giving out of gratitude to God and as a witness to their faith.***

**Orientation to Generosity Seminar** explores the competitive nature of mission and what it means to compete for the Philanthropic dollar; what motivates giving; what practices best nurture generous living.

**Year Round Stewardship Workshops** go beyond the Annual Commitment Program. From telling your story of mission in the form of a narrative budget to identifying daily, weekly, monthly, quarterly, semi- and annual processes that encourage generous living that strengthens the United Methodist witness.

When capital needs inhibit your ministry, the Foundation offers your church leadership an opportunity to evaluate,

design and coach your **Capital Campaign**. This service includes working with leadership to develop a cash flow model specific to the need of your congregation. The Foundation offers **Church Loans** that support the project without inhibiting the ministry the project is to enhance.

The Foundation will work with your church to establish an **Endowment** and design the endowment fund's organizational charter; provide template policies for gift receipt, investment and distribution; assist in the promotion and marketing of your endowment by providing **Planned Giving seminars** and a **Wills and Bequest Campaign**.
